| | Anecdotes of Dogs. A angacious dog at Holyoke went every morning to market for his master. On his way home a crowd of hungry dogs came snuffing about him, intent upon getting a tasts of his delicious steads and marrowy joints, and annel and bite at him because he would not yield to their demands. He could not ight them all, thus encumbered, and would not put down his meat least it should be stolen.

After being thus harrassed for many days, he made up his mind to put a stop to such annoyances, for, to the great amusement of a crowd of men and boys, he sat down his basket in a safe place, and punished his tormentors so effectually that not a dog in town dared to molest him again.

Another dog in the saute town seems to have had less regard for his master's rights. He used to ride out with him, sitting bolt upright upon the seat by his side, and when desired would hold the horse as well as his master. One day Mr. Luczs dropped his whip

did apply to the administration the I am gland the debt is no greater, by accident, and upon discovering his The parties now all returned to the loss, put the reins, as usual, into Ponto's teeth, and ran back to recover it. Just city with light hearts. On reaching his whatever as to the meaning or application of those words. Owing to several lodgings, the accentric Randolph took as he stooped to pick it up, Ponto, in a tion of those words. Owing to several the process of gold from his mocket. actly one week after the sending of the challenge, during which the friends of the bad designed them:
